The Court issued an Order (ECF No. 119) requiring defendant Board of Elections to make voting sites accessible. Defendant is currently complying with that Order. There has been recent motion practice and the case remains open.

Explain in detail the reasons for your position that the newly filed case is related to the earlier filed case.

Plaintiffs in the later-filed case are seeking to enjoin the defendant Board of Elections from relocating a voting site, which was necessitated by the Court order discussed above, requiring the defendant to provide fully accessible voting sites to disabled voters.
